

GOAL 3: Advocate for infrastructure developments that enhance the liveability of Cape Paterson

Convener: Clive Vernon

Objective from Strategic Plan	Strategy from Strategic Plan	Operational Activities, Events and Tasks
<p>Objective 1 Advocate for improvements to parks and recreation facilities, to ensure safe walking and cycling tracks, and roads and car parking facilities</p>	<p>Strategy 1 Establish the Communities infrastructure/amenities needs and priorities</p> <p>Strategy 2 Advocacy/representations</p>	<p>1. Establish CPRRA Position on Amenities Conduct a community workshop or survey to:</p> <ol style="list-style-type: none"> i. Review the list of priorities for improvements to the infrastructure/amenities at: ii. Cape Paterson iii. Establish the priorities iv. Identify those items that can be achieved by: <ul style="list-style-type: none"> • The Cape Paterson community itself • The CP community with assistance from outside agencies • Outside agencies/government only <p>2. Representation Use the outcomes of the workshop as the basis for representations to the following for the provision or assistance with the provision of those items that the CP community cannot provide by itself.</p> <ul style="list-style-type: none"> • The BCSC • The Local MP • The negotiations on the developer contributions related to the C136 amendment [if successful or partly successful]

	<p>Strategy 3 Resources</p> <p>Strategy 4 Collaboration</p>	<p>3. Funding Resources Identify and make submissions to funding sources for amenities or improvements, such as Community Grants</p> <p>4. Collaboration Identify other community groups which could collaborate with the CPRRA in advocating for action.</p>
<p>Objective 2 Monitoring the potential impact on improvements on infrastructure /amenities of the Extension of George Bass Coastal Walk</p>	<p>Strategy 1 Monitor and seek to make representations</p>	<p>1. Collaboration Collaborate with Goal 2 team [Planning] to:</p> <ul style="list-style-type: none"> • Achieve CPRRA representation on any planning committees for the extension of George Bass Coastal Walk • Maintain links with the HHRRG, SGCS, FoWHCR & STCA and collaborate in the development of principles and input into the consultation process. [See Note] • Advocate and make representations on ensuring the development is in accordance with the desires of the Cape Paterson community
<p>Objective 3 Advocate for accessibility to all beaches, amenities, and facilities</p>	<p>Strategy 1 Consider this issue when developing the priority list of desired infrastructure/amenities</p>	<p>1. Advocacy</p> <p>i. Meet with BCSC to</p> <ul style="list-style-type: none"> • Present the priority list of desired action • Ascertain what initiatives [and their current status] are being undertaken in relation to this issue. For example <ul style="list-style-type: none"> - The Cape Paterson Bay Beach Activity Area Masterplan 2014

	s and advocate for their provision	<ul style="list-style-type: none"> - Active Bass Coast 2018-2028 Get Outdoors • Get Active • Get Social - The Access and Inclusion Advisory Committee - Bass Coast Shire Council Disability Action Plan 2016-2020 - Provisions under planning requirements for new developments [e.g. CPND] • Identify the organization responsible for accessibility provision [e.g. for beaches, public amenities] • Identify potential funding sources <p>ii. Collaborate with the Goal 2 Team [Planning] on having this issue raised in discussions on:</p> <ul style="list-style-type: none"> • The potential developer contributions relating to C136 • The redevelopment of the WLSC in the context of the Cape Paterson Bay Beach Activity Area Master Plan [CPBBAAMP 2014]
