

Goal 4: Identifying and enhancing those factors which contribute to the liveability of Cape Paterson

as a small coastal township

Convenor: Stephen Ward

| Objective from Strategic Plan | Strategy from Strategic Plan | Operational Activities, Events and Tasks |
|--|--|---|
| <p>Objective 1</p> <p>Identify the issues that negatively impact on the community, such as power outages, mobile coverage, and public transport</p> | <p>Strategy 1</p> <p>Follow up on the Report and Recommendations on the Review of the Impact of the 10 May 2019 Hailstorm</p> | <p>The Hailstorm Report Release of the Report</p> <p>Presentations</p> <ul style="list-style-type: none"> • At the Community Connections Session on 13 May • A briefing to the three Bunurong Ward Councillors <p>Consultation with BCSC</p> <p>Consultation with Manager Community Recreation and Culture BCSC in relation to the Report in the context of the Emergency Management Planning Reform. The agenda for the meeting will include:</p> <ul style="list-style-type: none"> • Meeting with the BCSC officers responsible for the Municipal Emergency Planning Committee to discuss the Report and have input into the development of the Plan which will cover mitigation, response, and recovery • The following recommendations from the Review, which may be modified or adapted to enable integration into the development of the MEM Plan. |

| | | |
|--|---|---|
| | <p>Strategy 2. Identification of the Human and Physical Resources within the community</p> | <ul style="list-style-type: none"> • The development of the MEM Plan and the status of the Vulnerable Persons Register [Also reference to the concept of the CPRRA developing a community network] • A workshop with representatives from Emergency Services, Grantville and CPRRA to discuss the Report and Recommendations and review the response to the Grantville fires and the Cape Paterson hailstorm • A workshop with representatives from Cape Paterson and Grantville to establish the desired criteria for Relief and Recovery Support under the Municipal Emergency Management Plan and actions by the community to promote preparation, recovery, and resilience • Collaboration between the CPPRA and BCSC/MEMPC to develop/identify Emergency Management Kits and conduct Emergency Management Planning Workshops • Input to the relevant section within BCSC [and State authority] on the “future proofing” of homes <p>Development of Community Network</p> <p>Investigation on the feasibility of introducing a community contact network and implementing it, should that be considered to be viable.</p> <ul style="list-style-type: none"> • Examine alternative options if not viable • Liaise with Nextdoor CP regarding the network it is implementing in response to the COVID-19 <p>3.Potential Workshop on Resources</p> <p>Consider conducting the workshop outlined in Potential Activities in Relation to Goal 4 [10 June 2019] to Identify the individual skills, talents, knowledge physical resources and passions of members of the community</p> |
|--|---|---|

| | | |
|--|--|---|
| | <p>Strategy 3. Public Transport</p> <p>Strategy 4</p> <p>Support for Goal 2 Team [Planning]</p> <p>Strategy 5</p> <p>COVID-19</p> | <p>4. Public Transport</p> <p>Liaise with BCSC, local State MP and PTV to ascertain any actions in train and to advocate for increased services on weekdays and the introduction of services on weekends between Cape Paterson and Wonthaggi.</p> <p>5. C136 [Northern Development] and Bass Coast Distinctive Areas and Landscapes Project</p> <p>Provide support to the Goal 2 Planning Team in the actions to preserve the character of Cape Paterson as a coastal township.</p> <p>6. Impact COVID-19 on Community</p> <ul style="list-style-type: none"> • Monitor how the community is implementing and coping with the government protocols/restrictions in response to COVID-19 • Identify resources or services such the Bass Coast COVID-19 Response and Recovery Group and inform community • Liaise with Nextdoor CP regarding the network it is implementing in response to the COVID-19 • Consider a survey to ascertain the actions/initiatives, which increase the resilience of the community that emerged from the COCID-19 experience. [This could be conducted as a component of the survey/workshop on amenities in Goal 3] |
|--|--|---|

| | | |
|---|--|---|
| <p>Objective 2</p> <p>Communications to the Community</p> | <p>Strategy 1</p> <p>Increase two-way communications between the CPRRA and the Cape Paterson community</p> | <p>i. Supplementary Report on the Hailstorm Review Provide a report to the community on the outcome of the follow up on the recommendations</p> <p>ii. Utilize the Cap Pat Chat, Website, Facebook, Noticeboard, local papers, and social media such as Nextdoor CP to publicise activities and provide feedback on events and development</p> <p>iii. The assessment of the viability of a community network</p> |
